PARENT VOLUNTEERS

RAMMS is a volunteer run organization. As such the ultimate success of our programs is based on how many parents get involved. We need coaches and assistant coaches. So Mom and Dad, please consider getting involved in your child's recreational experience.

SPONSORS

Don't miss the chance to sponsor your child's team (coaches have priority) with your company name displayed on the team's uniforms. The extra costs of running the RAMMS programs (such as replacing old equipment and upgrading facilities) may not be covered by registration fees. Therefore, RAMMS is asking you to consider assisting with a donation in addition to your child's registration fee. Contact the commissioner if you are interested. Thank you!

ADDITIONAL INFORMATION

1. In order to promote parity, all players will be placed on teams pursuant to player drafts conducted by the coaches after evaluations. Drafts will occur during the week following the evaluation. Soon after the draft, coaches will contact players with team assignments and practice schedules.
2. Due to RAMMS draft system of team assignments, ONLY SIBLINGS ARE ASSURED OF THE "SAME TEAM" REQUESTS. Evaluations are for players in all leagues. Players WHO HAVE NO EVALUATION MAY FORFEIT HIS/HER ability to play this season, unless the commissioner of that league determines good cause exists. A player who wishes to play "up" a league will not be permitted to do so unless he/she attends evaluations for the higher league and receives the commissioner's approval.
3. All players are drafted and ALL PLAYERS WILL PLAY IN EVERY GAME. However, it is very important to attend all practices. Generally, players who do not attend practices and/or games may be subjected to less playing time than they would otherwise receive in both regular season and playoff games.

RAMMS provides scholarships (registration fee waivers) for eligible families. To request a scholarship (registration fee waiver) please visit our website, www.ramms.org and complete the scholarship form and forward it to the RAMMS Board President by August 21st, 2010.

REGISTRATION POLICY

RAMMS is a recreational based organization subject to constraints or other factors which might from time to time, serve to effectively limit the number of participants that we can reasonably accommodate in our programs for each sport and grade level. RAMMS' intention is to have all registrants participate, but if constraints at any particular level occur, it may be necessary to limit the number of participants at that level for that season. Constraints which might occur include, but are not limited to: the number of coaches available, the availability of adequate facilities, and excess registrants at any particular grade level.

In applying this policy, consideration will be given to the following factors: timeliness of registration, geographic boundaries, participation in tryouts, living or attending school within the Madison School District #38, parental participation as a coach, assistant coach, and/or as a league sponsor.

RAMMS will adhere to the Madison District Academic Achievement Requirements and RAMMS policy statement.

The Madison School District does not endorse, support or sponsor RAMMS or RAMMS programs. Any information distributed by Madison School District is performed only as a service to our community.
