Support Local Youth Sports

Looking for a way to support youth sports and promote your business at the same time? For a financial contribution your business can become a **Team Uniform or Scoreboard Sponsor** and have its name on the back of a team's jersey or prominently displayed on a scoreboard. Let the community know your business is proud to support RAMMS. For more information, please contact any member of the Executive Board.

The Recreation Association of Madison Meadows-Simis schools ("RAMMS") is a volunteer organization that was founded in 1961 to provide youth sports opportunities for children in North Central Phoenix. For 50 years, RAMMS has helped teach sportsmanship, improve skills, and provide recreational sports for ALL children involved in the following sports: baseball, softball, basketball, volleyball and flag football. During that time period, RAMMS has also donated tens of thousands of dollars to capital improvements to Meadows and Simis and helped those schools with maintenance of their sports facilities, and the costs associated with their school sports teams.

For league registration forms, coaches' applications, scholarship applications, and additional information visit us at:
